

The Beacon

August 2021

The night is almost gone, and the day is near. Therefore let us lay aside the deeds of darkness and put on the armor of light. Romans 13:12

Pastor Dave's Message for the Month

In the mid-1900s, there was a group of people that intentionally removed themselves from the modern world. They left society and

disappeared into the Northern Tropics of Australia. They sought to free themselves from the pressures and constraints of the world. They wanted to leave their past and their identity behind. Their children received no formal education, and they did not teach about truth and God. In less than two decades they produce a generation that was ignorant of their past and of modern culture. The lesson is obvious, if we don't teach the Word of God and knowledge about God to the next generation, they will grow up ignorant of God.

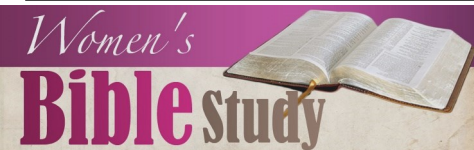

Today's next generation faces many influences in our society that will pull them away from God and the truth of His Word. As parents, grandparents, aunts, uncles, Sunday School

teachers, Children's Church teachers, or just a person of influence we must teach the next generation about God and His Word. This must be a priority in our homes. This must be a priority in the church. This is why we need so many of you to serve in our Children's and Youth ministries. We need to realize that the next generation is being influenced all of the time. Let's rise up and influence them for the Lord Jesus.

Proverbs 20:7 says, "The righteous *man* walks in his integrity; his children *are* blessed after him." I pray that each of us will live righteous lives and walk in godly integrity. When we do, we will live by the principles found in God's Word before the next generation. We will also teach them about God and His Word. Then the next generation will be blessed by the Lord even after many of have gone on to heaven. What a tremendous legacy that will be!

For His glory,

Pastor Dave
