Pastor Dave's Message for the Month

We live in a culture that is geared to be self-centered. Wherever you look you see people who are looking out for themselves. We see this in politicians, athletes, music artists, Hollywood elites, and even the average person on the street. Our society has become one of entitlement where people think they are entitled to curtailed things no matter how that may come about. Many people believe that they should always have their way in life. Sadly we see this type of mentality more often than we see people putting others above themselves. Don't get me wrong. I am not saying that people are

not humble and serving others. I see that in our society as well. However, I see more and more of the self-centered attitude in people.

As Christians we are called to live differently. We are called to be humble and put others above ourselves. In Philippians 2:4, Paul wrote, “Let each of you look out not only for his own interests, but also for the interests of others.” In 2026, this is becoming a contrary way of living in our society. But think of the impact we could have on the world around us when we live biblically and put others above ourselves. People will want to know why we are behaving in such a way, then we will have an opportunity to point them to Jesus. So, lets continue to strive to live Christ-like and put others above ourselves.

Let me take this opportunity to say thank you for putting me above yourselves. Since I hurt my arm, many of you have reached out to offer your help, let me know that you are praying for me, to show your concern and love, and to serve me. Thank you for living biblically! Your humbleness and selflessness have been a tremendous blessing to me.

For His glory,

Pastor Dave
