Pastor Dave's
Message
for the
Month

This month we honor and celebrate our mothers on Mother's Day. God has been so good to give us mothers. I realize that some of us may have had great mothers and others may not have had a good mother. God has also been so good to put women in our lives who have been like a mother to us. I realize that there is

no perfect mother, but these women have had an impact on our lives. They have taught us the Bible and pointed us towards Jesus. They have cared for us and met needs in our lives. They have loved us through the good times and bad times. They have taught us many life lessons. And the list goes on and on. When you stop and think about it, we have truly been blessed by the godly women that God has placed in our lives.

These women have lived out Christ-like characteristics before us. One of the big ways they have done this is that they have comforted and nurtured us. When they are doing this they are being just like God. Isaiah 66:13 says, "As one whom his mother comforts, so I will comfort you; and you shall be comforted in Jerusalem." God seeks to comfort us and nurture us just as our mothers do. This is one of the many ways that God takes care of us.

So, as we celebrate Mother's Day this year, give God praise for the godly women He has placed in our lives that have shown us His love, care and comfort. And don't forget to thank and honor your mothers and the mother like women in your lives.

For His glory,

Pastor Dave
